Fax 231-832-7345

Building Site Information:

Township _____ Section _____
Subdivision _____ Lot _____

Address of Site _____

Type of Project _____

Directions to Site _____

Comments _____

I certify the above project is located more than 500' from a body of water or stream (defined as- river, stream, creek or other surface waterways that has definite banks, a bed and visible evidence of continued flow- including county drains) and not disturbing over one acre of land. (an acre - 43,560 sq ft)

Failure to disclose accurate information when a soil erosion permit is required, the result will be an increase in fee for the permit. (double)
