

CEDAR TOWNSHIP RESIDENTS

For ANY upcoming elections:

Anybody can request an Absent Voter Ballot for any election. Steps needed are to go online at State of Michigan.gov under elections, forms, and print off an application to receive an AV ballot and send to Township Clerk to process, OR you can call the Clerk, and she will send you an application in the mail. After receiving your application back it can then be processed and an AV Ballot will be issued and mailed. Just be aware of mailing time and processing time needed before an election.

Plus, for any residents interested, I have a PERMANENT AV list that, with verbal or written permission, I automatically send Applications out for every election to voters on this list. If you want an AV Ballot for that election, just fill out application and return to the Clerk to process. Until I receive notice that you want off this list, You will also be mailed an application.
